I, Mary Kaye Grose, being of sound mind and body will the following; To Keren Sue, I leave my method of honest cheating in History Class; to Keren Kay, I leave my friendship with a Bern boy G.B.; to Virginia, my ablility to cut hair; to Bonnie, my ability to lie and not show it; to Roger, to be quiet about stealing pop from the typing room; to Lerry, my straight D's in typing, Leland, to trap dates; to Connie, the highest position on the basketball team; to Sandy, the added ability to catch a guy from Bern (518" blue eyes and dark brown bair.) "J.K."

(Good Luck)

I, Howard Allen, being of sound mind and body will the following: To Bo, my sister if you can stand her for as long as I have.

To Commis, my het rod driving ability; to Fat, my ability to play snocker; to Sandy, my car if you can drive it without haveing a blow out; to Harie, my History Herkbook; to Roger, my basketball ability; to Tarry, my ability to play the field; to Ronnie, the rubber on the highway from my car tires; to Leland, my clean lingernails; to Virginia, Cornie, Karen Sue, and Karen Kay, my class ring for them to fight over.

Here it is 1979 and the semiors of 1959 are getting together for the first time in 20 years. Of course they have all changed. First to arrive of all the teachers is Mr. K Jones: he is using cruthces and has two beautiful nurses with him. It's like he always said young and beautiful even in his old age he still runs after the pretty girls.

Next is Mr. McIntosh with a cigar. He's still showing the boys how to data it.

Now comes Mr. Wills, or wait if It? Yes, yes, we hardly recognized him for he now weighes 98 lbs. and is in a very bad moss as usual.

First of the Seniors to arrive is: Mary K. Grose. She was just telling us about her 8 xids. G yes, she married Kenny Kaster, who now owns all of Bern.

As Isla Faye Lierz comes down the steps we all think of the dr ams she had. She always wanted to be a secretary to some very rich Industrialist. She got her dream and also the boss.

As Howard came rowing up to the school house his chauffeur steps out to open the door we all locked again and wow what a beautiful blonde why its Marllyn Monroe. Of course it might be that he's half owner of Hollywood.

his name to Allen.) They now own the Allens Market, bey do they need to feed those 12 children of theirs. Chesper by the dozen, you know.

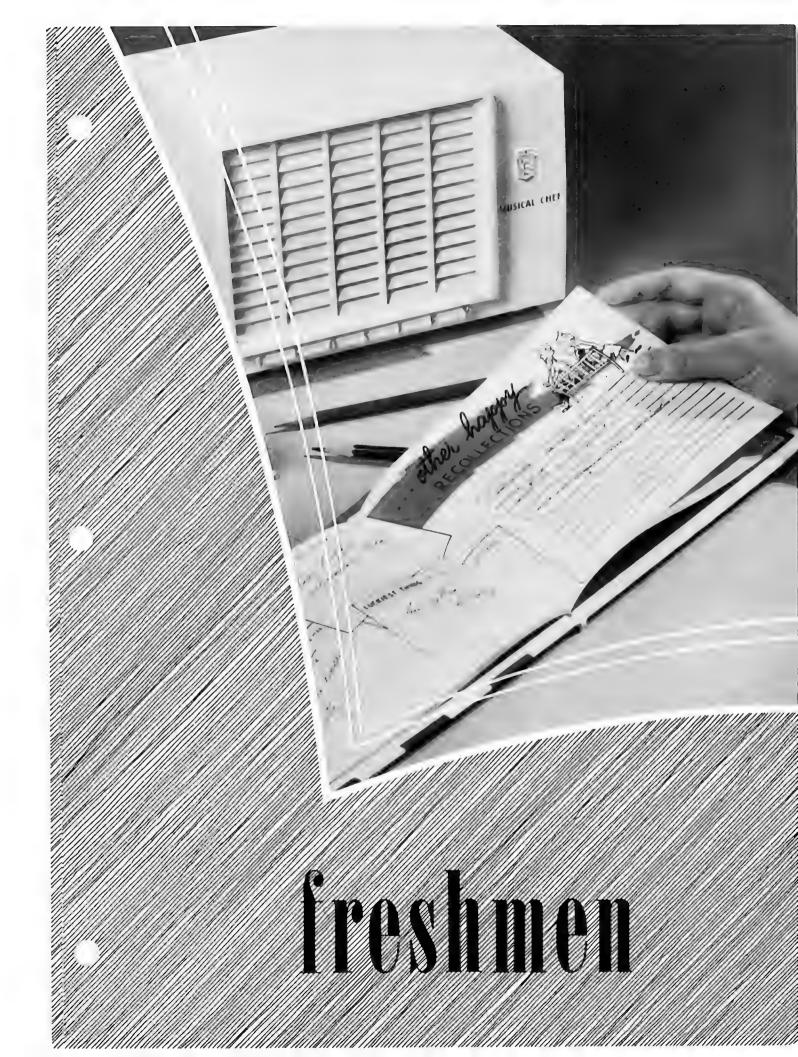

And finally after the banquet is over arrives has Grey as you know she is always late. But she is real sweet about it, she gets up and rays. If am very sorry, but those own Democratical haven't got the roads fixed and I had to drive always.
